GEORGIA DOT ANNOUNCES U.S. 82/S.R. 520 EASTBOUND LANE AND TURN LANE CLOSURE

- WHEN:** Beginning at 9 a.m. to 3:30 p.m., Thursday, May 12 (weather permitting).
- WHERE:** U.S. 82/S.R.520 eastbound between I-95 and Brampton Way in the Glynn County (left lane and left turn lane).
- WHAT:** Georgia Department of Transportation Maintenance Crews have scheduled a left lane and left turn lane (at Pilot Lane) closure on U.S. 82/S.R.520 eastbound between Brampton Way and I-95 in Glynn County. These temporary lane closures are scheduled between 9 a.m.to 3:30 p.m., May 12 (weather permitting).

These lane closures will be utilized for milling and resurfacing operations.

This is a **WORK ZONE** and extreme caution is necessary. Motorists are advised to reduce speeds as they travel through this work zone.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
